

## TECHNICAL DATA SHEET

### PIB-1048-010

Ingredient bins are specific storage containers used to store dry ingredients. The transparent lid allows you to see the contents. The smaller models are ideal for placing on the preparation table and using ergonomically. The wheeled models have a larger capacity and fit perfectly under the work table.

<b>Dimensions</b>	600 x 480 x 430 mm
<b>Capacity</b>	48 l
<b>BPA-free</b>	Yes
