

**DECLARATION OF COMPLIANCE FOR MATERIALS MADE FROM PLASTIC
INTENDED TO COME INTO CONTACT WITH FOOD**

1) We hereby declare that the molds in food-grade plastic named TARTE RING suitable for cooking and freezing of food

comply

to all relevant laws, with particular reference to the following EC legislation:

- Regulation 1935/2004/EC
 - Regulation (EU) n. 10/2011 and subsequent updates and changes
- and Italian law the following:
- Ministerial Decree 21/03/1973 and subsequent updates and changes
 - Presidential Decree 777/82 and subsequent updates and changes

2) The material is manufactured with the following material:

Tarte Ring (PPA Poliftalammid)

3) It is declared that the material does not contain substances subject to restrictions in the legislation cited and respects the limits of overall migration to the following standard conditions:

Overall migration

Liquid simulant	Contact condition
Acetic acid 3%	3 x 4hours at 100°C
Ethanol 50%	3 x 4hours at 100°C
Olive oil	3 x 2 hours at 175°C

Migration of colorants

Liquid simulant	Contact condition
Acetic acid 3%	3 x 4hours at 100°C
Ethanol 50%	3 x 4hours at 100°C
Olive oil	3 x 2 hours at 175°C

4) The overall migration limit, together with other specific restrictions which may be carried out on monomers and / or additives in the material are observed in the conditions of use mentioned above. This assertion is supported by analytical testing conducted in accordance with Regulation (EU) n. 10/2011 and subsequent updates and changes and DM March 21, 1973, or calculations based on the migration of all substances subject to restrictions on migration. The calculations were made assuming that 1 kg of food is in contact with 6 dm² of the product.

Silikomart S.r.l.

5) It is declared that the material does not contain substances subject to regulations (CE) N. 1333/2008 and (CE) N. 1334/2008 (“additives dual use”) and non-intentionally added substances (NIAS).

6) The industrial or commercial use within the material referred to in this declaration is subject to the assessment of its compliance with current regulations and technological suitability of the intended purpose.

7) This statement is valid from the date specified below and will be replaced when substantial changes occur in the production of material capable of changing the essential requirements for compliance or when the legislative references in 1) are amended and updated to request a new verification for compliance purposes.

8) Silikomart Srl also declares that the production cycle of the company pursues the GMP - Good Manufacturing Practices - mentioned in Regulation (EC) 2023/2006.
