First Aid	Eyes:	Flush with plenty of cold water. Seek medical advice if necessary
	Skin:	Wash with soap and water
	Ingestion:	No hazard under normal conditions of use
	Inhalation:	No hazard under normal conditions of use
Spillage		Wash area with detergent and water to avoid slip hazard
Disposal of waste		Normal waste disposal in accordance with local and national laws
Other hazards		None known
Protective clothing		Normal for food handling

Product Technical Specification

Handling and Usage Instruction:

For each 1Kg of cake, you should use no more than 14g of Liquid Colour.

As this is a concentrated food colour, this might need to be thinned down slightly using water to create a paler shade of colour.

Possible Applications:

Mix into royal icing, buttercream and great for using through an airbrush.

Recommended Storage:

store at ambient room temperature
